

How Far Back Do You Need to Go For Your Employment History?

We understand that many professionals working in the field may have numerous years of experience. When entering your employment history, we suggest you add a minimum of your last three employers into your employment history, if applicable. The years of experience you include will correlate with your Workforce Knowledge and Competency Level. Professionals looking to complete create a resume using the Workforce Registry may want to include more information, as this will be pulled into the resume. To enter multiple employment positions go to the “Employment History” tab

Employment History

Directions: Add your complete employment history here. You are encouraged to enter all jobs you've held, not just those you've had in early childhood education.
